# PRESIDENT'S MESSAGE

As President of the ICCMO India Section and on behalf of the members of ICCMO, we welcome you to the 22nd Biennial International Congress of ICCMO, Namaste ICCMO – The Airway Truth!

As the International Secretary of ICCMO, it is with tremendous pride to say that India is hosting the next conference at The Lalit Golf & Spa Resort, Goa from in 4-7 May, 2023.

The ICCMO India Section is the youngest and the 8th one that was inaugurated in 2017 with 14 members. We currently have 42 members and still growing with quality. We hope to bring the same spirit of camaraderie and scientific exploration to the upcoming ICCMO India 2023 International Congress, making it a benchmark, memorable event. This is in keeping with tradition, as the Biennial ICCMO congresses have gained historical recognition for being the global voice of scientific advancement and education in neuromuscular dentistry.

Unlike the previous 2 day international conferences, we are conducting this on 3 days for more education and more fun! Added to that we have an extra day for pre-conference workshops (with 4 full-day courses and 2 half day courses). Our conference is divided into 6 sections like TMJ, Sleep Disorders, Posture, Radiology & Diagnosis, Importance of Occlusion and Tongue physiology. 37 International speakers from across the world will enrich our knowledge in these subjects with their experiences. The theme, The Airway Truth, has been the hallmark of ICCMO India across all the conferences ICCMO India has hosted. Neuromuscular disorders of the entire body have a direct connection with the TMJ, dental occlusion and jaw positioning. ICCMO has been the absolute advocate and authority in spreading the word of Neuromuscular Dentistry.

This will be the first in-person International congress since the COVID-19 pandemic took hold, and there is no better congress venue than the pristine private beachfront of The Lalit Golf & Spa Resort, Goa the tropical paradise of India. All possible safety precautions are in place as we gear up for yet another enriching forum. The conference shall further include the rich heritage of academic excellence, culinary delights, industry updates, and numerous other first-time experiences. It is our privilege to invite you to the upcoming ICCMO INDIA "Namaste ICCMO–The Airway Truth" and show you the best of Indian hospitality.

Come to Goa. Let's Learn. Let's Enjoy!
